Spiritual Disciplines for the Christian Life

Aanwijzingen voor de weg naar een actieve beoefening van het geestelijk leven, bestaand uit een gehoorzame onderwerping aan een aantal regels
voor gebed, vasten, onderdanigheid en dergelijke.

Filled with honest personal stories and relatable examples from Scripture, Transformed, Not Conformed offers a respite from society’s demands to be Pinterest perfect, using a fresh approach to the spiritual disciplines. In addition to helping you create habits of Bible reading, meditation, prayer, silence, solitude, and fasting that you can stick with, Missy highlights the benefits of connecting with God through journaling and worship. Drawing from the hills and valleys of her own transformation journey, Missy paves the way for igniting (or reigniting) a love for Christ and a hunger for Him that is truly life changing.

In this revised bestselling book, Peter Scazzero outlines a roadmap for discipleship with Jesus that is powerfully transformative. He unveils what's wrong with our current definition of "spiritual growth" and offers not only a model of spirituality that actually works, but seven steps to change that will help you experience authentic faith and hunger for God. Peter Scazzero learned the hard way: you can't be spiritually mature while remaining emotionally immature. Even though he was the pastor of a growing church, he did what most people do: Avoid conflict in the name of Christianity Ignore his anger, sadness, and fear Use God to run from God Live without boundaries Eventually God awakened him to a biblical integration of emotional health and the spiritual practice of slowing down and quieting your life for to experience a firsthand relationship with Jesus. It created nothing short of a spiritual revolution in Scazzero, in his
church, and now in thousands of other churches. In this updated edition, Scazzero shares new stories and principles as he outlines his journey and the signs of emotionally unhealthy spirituality. Then he provides seven biblical, reality-tested ways to break through to the revolutionary life Christ meant for you. Check out the full line of Emotionally Healthy Spirituality books dedicated to many different key areas of life. Workbooks, study guides, curriculum, and Spanish editions are also available.

Although you may see yourself as merely one among millions of Christian women, God has great plans for you to leave an eternal impression on others. He has created and called you to spiritually influence those around you—your children, friends, family, co-workers, and neighbors. This practical guide will help you grow in the six fundamentals of spiritual leadership and encourage you on your own journey from ordinary woman to spiritual leader. “I not only recommend this book, I know I will be using it as I minister to women.” —Dr. Beverly Hislop, author of Shepherding a Woman’s Heart and Shepherding Women in Pain “Kay’s own experience and the stories of women that are included illustrate how powerful these truths are and how crucial they are for women who truly desire to serve God in an extraordinary way.” —Susie Hawkins, author of From One Ministry Wife to Another

With the honesty of a close friend, the hilarity of a late-night comic, and the humility of a mom up to her eyeballs in diapers and dishes, Courtney Ellis invites us on a journey to draw
closer God amid the joyful, mundane, exhausting days of young parenthood. Probing ancient Christian practices for renewal, Almost Holy Mama chronicles one mom’s quest to discover an answer to her most pressing question: Can God use the challenges of parenthood to grow your character? You long to spend time with God and catch your spiritual breath, but you find yourself honestly wondering how and when? Ellis gets it. It’s hard to carve out space for a quiet moment with God, let alone a quiet time! Instead of adding more tasks to your plate, Almost Holy Mama will help you integrate your spiritual practices into your daily life. From studying Scripture in the shower to listening in prayer at the foot of Laundry Mountain, Ellis finds that meeting God in sacred disciplines can breathe new life into one of life’s most joy-filled and trying seasons.

Spiritual disciplines are often viewed primarily as a means to draw us closer to God. While these practices do deepen and enrich our “vertical” relationship with God, Kyle David Bennett argues that they were originally designed to positively impact our “horizontal” relationships—with neighbors, strangers, enemies, friends, family, animals, and even the earth. Bennett explains that this “horizontal” dimension has often been overlooked or forgotten in contemporary discussions of the spiritual disciplines. This book offers an alternative way of understanding the classic spiritual disciplines that makes them relevant, doable, and meaningful for everyday Christians. Bennett shows how the disciplines are remedial practices that correct the malformed ways we do everyday things, such as think, eat, talk, own, work, and rest. Through personal
anecdotes, engagement with Scripture, and vivid cultural references, he invites us to practice the spiritual disciplines wholesale and shows how changing the way we do basic human activities can bring healing, renewal, and transformation to our day-to-day lives and the world around us.

Gevoelens van ontevredenheid, spanning, stress, schuld en verdriet behoren tot ons dagelijks leven. En wanneer we met deze gevoelens en achterliggende oorzaken aan de gang gaan, lijkt het vaak of we in een steeds groter innerlijk conflict komen. We komen er niet uit, we vinden geen rust en vrede meer. Trevor Hudson gaat in dit boek met de lezer op zoek naar innerlijke rust en vrede. Hij doet dit door te mediteren op het bekende Gebed om Rust (The Serenity Prayer): God, geef me de rust om te accepteren wat ik niet kan veranderen. De moed om te veranderen wat ik kan, en de wijsheid om het verschil te zien. Dit gebed heeft al vele mensen aangesproken, de ogen geopend of getroost. Hudson haalt de zinnen één voor één naar voren, laat de wijsheid en troost die er in is zien en helpt te lezer dit een plaats te geven in zijn of haar eigen leven.

"You're blessed when you've worked up a good appetite for God." Matthew 5:6 The Message We live in hungry times. Ours is a consumer culture, predisposed to quickly fill the cravings of body and mind. The idea of fasting--the voluntary denial of something for a specific time, for a spiritual purpose--sets us immediately on edge. But Lynne Baab makes the case that anyone can fast. Fasting is an expression of freedom. Free from the patterns and habits that mark everyday life, from time to time we can move beyond our appetites into meaningful encounter with God. In Fasting you'll discover an ancient Christian practice that extends beyond giving up food to
any regular activity in our contemporary lives. You'll see how taking a break from eating— or driving, or checking e-mail, or watching television— opens us up to discover new things about ourselves and God and the world around us. You'll see that while not everyone should forgo food, anyone can step out of routine to feed the soul. In a time of great spiritual hunger, God invites us all to a feast: fellowship with the Creator of the universe, where all our truest needs are identified and attended to.

Spiritual disciplines are to the believer what medical school is to the doctor. A man came up to me at a conference where I was speaking and said, “Pat, do me a favor. Tell me how to be good. I already know how bad I am.” That statement captures the intent of this book—and the purpose of the spiritual disciplines. Spiritual strength, like surgical skill or athletic excellence, requires training and practice. To become the kind of man who walks with God and wields Christ’s influence in your world, you’ll want to begin a consistent regimen of spiritual exercises. In A Man’s Guide to the Spiritual Disciplines, Patrick Morley highlights twelve habits that will strengthen your walk with Christ, including: -- Experiencing God in creation -- Letting the Bible change your life -- Learning the power of prayer -- Grasping God’s greatness through worship -- Gaining strength through Sabbath -- Thriving because of fellowship -- Succeeding through wise counsel -- And more . . . By presenting each discipline with a concise overview, several examples, and application ideas to get you going, this powerful guidebook will help you develop the maturity every man of God
The academic fields of religion and values have become the focus of renewed interest in contemporary thinking about human activity and its motivations. The Routledge International Handbook of Education, Religion and Values explores and expands upon a range of international research related to this revival. The book provides an authoritative overview of global issues in religion and values, surveying the state of the academic area in contributions covering a wide range of topics. It includes emerging, controversial, and cutting-edge contributions, as well as investigations into more established areas. International authorities Arthur and Lovat have brought together experts from across the world to examine the complexity of the field of study. The handbook is organised around four key topics, which focus on both the importance of religion and values as broad fields of human enquiry, as well as in their application to education, inter-agency work and cross-cultural endeavours: -The Conceptual World of Religion and Values -Religion and Values in Education -Religion and Values in Inter-agency Work -Religion and Values in Cross-cultural Work. This comprehensive reference work combines theoretical and empirical research of international significance, and will be valuable reading for students, researchers and academics in the field of education.

While spiritual formation focuses on the inner life of the Christian, the missional church...
discussion focuses on one's life in the world. Nathan A. Finn and Keith S. Whitfield bring together leading evangelical voices to cast a new vision for a missional spirituality that fosters spiritual maturity while also fueling Christian evangelism, cultural engagement, and the pursuit of justice.

Jesus consistently demonstrated his concern and love for the whole person, and that task is carried forward today by church leaders. Based on the 2018 CPT conference, this volume brings together reflections by pastors, theologians, and psychologists who explore the relationships among three fields of study—theological anthropology, spiritual formation, and modern psychology—resulting in a vibrant whole-person theology.

In Designer Living, Susan Sutton includes personal stories, reflections and Scripture passages to uncover our identity and purpose in Christ and to enjoy our relationship with Him. Sutton guides us through Scripture and looks to God for answers about who we are and how we are meant to live.

“Spirituality” has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment. Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before. “Spirituality” in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals. It is the conviction of this publication that the intuition behind contemporary searches
for spiritual reality is a good one. It acknowledges that there must be more to life than what secular media or consumerism might tell us. The joyful message of Perspectives on Prayer and Spirituality is that the spiritual quest is a valid one and worth exploring. There is treasure to be found. However, the surprise is that we must rediscover what we have left behind. In the words of G. K. Chesterton, “it is not that the Christian ideal has been tried and found wanting, rather it has been found difficult and left untried.” This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure. The title, Perspectives on Prayer and Spirituality, alerts us to the fact that life-giving spirituality stems from relationship with a personal God who can be known.

Het vergeten meesterwerk van een van de grootste Joodse denkers van de 20ste eeuw. Heschel beschrijft hoe de mens in de loop van de geschiedenis ervaring is gaan krijgen van een zich openbarend God. Puttend uit Bijbelse en Joodse bronnen voert hij pleidooi voor een universele Godsbeleving die consequenties heeft voor hoe we als mensen met elkaar omgaan.

Much has been written for adults about their spiritual formation and about the practice of classic spiritual disciplines. Very little has been written for adults who work with children on how to guide children in practices that form their spirit toward Christlikeness. Spiritual Disciplines for Children offers readers the tools they need personally—and the tools they need practically—to guide children in Christian
spiritual formation using twelve spiritual disciplines. Concrete activities for readers to do with their children are provided at the end of every chapter. Reproducible pages are also included at the end of some chapters. These activities offer children enjoyable and meaningful experiences. Guided conversation ideas are a part of each activity to help adults build relationships and understand and communicate on a child's level. The subject matter is serious, inspirational, and practical. It is intended to inspire and equip adult Christian readers to begin the practice of spiritual disciplines with intentionality and commitment in their lives and in their children's lives. The challenge is given to continue in these practices until, in both adult and child, they become lifelong patterns and habits. These patterns and habits allow the Holy Spirit to form their spirit and character toward Christlikeness and a closer, more intimate relationship with God.

Details the core disciplines of Christianity and discusses how to develop daily habits that honor God.

Mae Elise Cannon opens the annals of activist history to see if there is a correlation between great acts of compassion and advocacy and great depths of prayer. Looking at the lives of Mother Teresa, Dietrich Bonhoeffer, Martin Luther King Jr. and others, Cannon finds a depth of spiritual practice at the root of courageous social action.

Why does one well-equipped, well-meaning person in ministry succeed while another fails? Bob Burns, Tasha Chapman and Donald Guthrie undertook
a five-year intensive research project on the frontlines of pastoral ministry to answer that question. What they found was nothing less than the DNA of thriving ministry today.

Meg, een weduwe van wie de kinderen net het huis uit zijn gegaan en die worstelt met gebeurtenissen uit haar verleden. Mara, wier leven is bepaald door afwijzing en die haar huwelijk ziet afbrokkelen. En Charissa, een hardwerkende studente die in alles het juiste wil doen. Samen met hen ga je op een spirituele reis waarin ogen worden geopend, belemmerende gedachten losgelaten en oude wonden genezen. ‘Reisgenoten’ is zowel een heerlijke roman vol herkenning als een inspiratiebron voor je eigen geloofsleven. Adele Calhoun's Spiritual Disciplines Handbook has become a standard for those who want to expand their knowledge of spiritual practices. Now this beloved resource has been revised throughout and expanded to include thirteen new
disciplines along with a new preface by the author, giving us practical guidance in our continuing journey toward intimacy with Christ.

"A Morning Resolve," an Episcopal prayer printed on the inside front cover of Forward Day by Day, is a "help me tend my spiritual garden" prayer.
It asks for God's help in living a simple, sincere, and serene life--by repelling negative thoughts and attitudes (discontent, anxiety, discouragement, impurity, and self-seeking), cultivating positive attitudes (cheerfulness, magnanimity, charity, and the habit of holy silence), exercising graceful activities (economy in expenditure, diligence in appointed service, fidelity to every trust, and a childlike faith in God), practicing faithful daily habits (work, study, prayer, physical exercise, eating, and sleep), and depending on God for the strength and the will to do so. This unique devotional book for personal or small group discipleship/spiritual formation utilizes this daily prayer to guide readers as they examine and meditate on a portion of the prayer each week and examine and employ spiritual disciplines. Ultimately, the intentional crafting of a simple, sincere, and serene life is a spiritual discipline, too. Morning Resolve will guide readers into the spiritual practices that bear good fruit for a grace-filled life.

The Workbook on Spiritual Disciplines is a six-week study on spiritual disciplines for the enhancement of the devotional life. It is designed to be used by small groups, especially in the local church setting. Maxie Dunnam believes that discipline is required for the Christian life. But discipline is not to be seen as a religious practice that has merit within itself; it is a means to an end. The end toward which the discipline takes us is to grow spiritually, to mature in our Christian faith and life, to be alive in Christ.

Structuralistische visie op het ontstaan van het begrip waanzin.

In Practicing the Monastic Disciplines, authors Sam Hamstra Jr. and Samuel Cocar recover the wisdom of the Christian desert and make it more available and accessible to modern Christians, especially those in the evangelical circle they inhabit. Believing that moderns like themselves often flail in their Christian lives, the authors discover in the desert Christians of late antiquity a clear map for growing in Christlikeness, as well as an effective set of tools (or weapons) for combating temptation. This set of insights sees its completion in the spiritual theology of Evagrius Ponticus, a monastic theologian who expertly assessed the maladies and corresponding remedies of Christian discipleship. Evagrius and his comrades offer modern Christians a coherent framework for spiritual formation and growth, one which treats seriously both the frailties of human nature and the potential for sanctification. This strand of patristic spirituality guides us toward glorifying God through both training our bodies and ordering our interior lives.

As Christians, we know we are called to love our
neighbor. We may even grasp that "neighbor" encompasses more than just the people living next door or down the street. But what we too often don't know is how to begin. How do we love our neighbor? Where do we start? What does this look like in our increasingly isolated world?

Following practices outlined in the first chapter of 2 Peter, Alexandra Kuykendall lays out the framework for where to begin. From practicing humility to listening with understanding to being generous in our relationships, Loving My Actual Neighbor offers practical, start-now steps readers can take to love their neighbors. With her approachable, friendly tone and down-to-earth advice, Kuykendall has carved out for herself a place in the hearts of readers, who will be thrilled to extend her commonsense approach into this sphere of their lives.

Klassieker in een nieuwe uitvoering Henri Nouwen gaat in op de uitdaging van een vriend die hem vroeg: 'Hoe moeten wij, die allemaal doordrenkt zijn van de westerse, geseculariseerde cultuur, nu een geestelijk leven leiden?'

Waarom nog een boek over aanbidding? Hebben we dit niet allang behandeld? Hebben we niet al zo’n beetje alles gezegd wat er gezegd moet worden en begrijpen we inmiddels niet alles wat er begrepen moet worden? Zeg nu zelf, de kerk aanbidt al eeuwenlang en Israël deed het daarvoor al eeuwenlang. Wat kan er nog meer over geschreven
worden? Het is grappig. Christenen hebben elke week duizenden aanbiddingsdiensten over de hele wereld. 'Aanbidding' is een apart muzikaal genre worden met eigen artiesten, schrijvers en een fanclub. Je kunt aanbidding produceren, opnemen, inpakken, op de markt brengen en verkopen. Er bestaan zelfs opleidingen voor aanbiddingsleiders. Maar toch heeft de kerk nog steeds geen idee wat aanbidding is. Aanbidding is als mist. Zelfs voorgangers en aanbiddingsleiders begrijpen het niet echt. Mijn vraag is, als zelfs de leiders aanbidding niet ten volle begrijpen, hoe denken ze dan anderen hierover te onderwijzen? En als ze anderen niet onderwijzen over aanbidding, hoe kunnen ze dan verwachten dat mensen deel gaan nemen aan de aanbidding? En als mensen niet meedoen met de aanbidding, hoe nodigen we de aanwezigheid van God dan uit in onze kerken? En als we de aanwezigheid van God niet in onze kerk uitnodigen, hoe moet Zijn macht dan zichtbaar worden in het leven van mensen? En als zijn macht niet zichtbaar is in het leven van mensen, hoe kunnen we dan een levende gemeente zijn? En als er geen leven is in de kerk, hoe kan de kerk de wereld dan veranderen? Misschien overdrijf ik, (op de volgende pagina's kun je lezen dat ik niet overdrijf) maar ik geloof dat aanbidding de drijfveer is voor alle effectieve en blijvende christelijke daden en resultaten. Evangelisatie begint met aanbidding. Onderwijs en de preek beginnen met aanbidding. Gebed en profetieën, genezing en bevrijding, discipelschap en zending, liefdadigheid en vriendelijkheid, geduld en al het andere beginnen en eindigen – als het op Gods manier gedaan wordt – allemaal met aanbidding. Zonder aanbidding zijn we simpelweg religieuze mensen die plichtmatig
werken aan religieuze taken. Aanbidding is de motivatie die elke taak verandert in een uiting van onze liefde voor God. Waarom nog een boek over aanbidding? Omdat ik tweeduizend jaar na Jezus' opstanding nog steeds de vraag kan stellen: 'Wat is aanbidding?' en nog steeds gekke antwoorden krijg als: 'langzame, intieme liedjes tot God zingen.' Ik heb ontdekt dat mensen, zelfs leiders, geen idee hebben wat de Bijbel ons leert over aanbidding. Ik hoor voorgangers tegen hun gemeenteleden verkondigen dat het doel van aanbidding is om hun hart voor te bereiden op het ontvangen van het Woord. Het spijt me, maar dat is niet wat de Bijbel ons vertelt. De postmoderne persoon antwoordt misschien met: 'Aanbidding is een manier van leven', wat klopt, maar geen antwoord op de vraag is. Wat voor manier van leven? Wat is aanbidding? Voor wie is aanbidding? Wat bereik je ermee? En hoe doen we het? Heeft iemand een gefundeerd, Bijbels antwoord op een van de belangrijkste vragen in de geschiedenis van de wereld? We hebben er grotendeels genoeggen mee genomen dat onze kerkelijke gezindten en onze cultuur hebben bepaald wat aanbidding voor ons is. Dat is waarom er zoveel verschillende meningen bestaan over wat aanbidding is en hoe je moet aanbidden en waarom er zo weinig kracht zit in aanbidding. Ik schrijf dit boek in de hoop dat leiders over de hele wereld de noodzaak van aanbidding zullen gaan inzien. Mijn gebed is dat ze hun gemeenteleden zullen onderwijzen, zodat ze aanbiddende gemeenten zullen worden en dat de macht en aanwezigheid van God meer zichtbaar zal zijn in alle kerken. Ik heb een verborgen agenda tijdens het schrijven van dit boek. Ik wil dat aanbidding over de aarde zal weerklinken. Ik wil dat je een aanbidder wordt. Waarom? Omdat ik
niet wil sterven zonder dat ik de heerlijkheid van God weer in Zijn kerken heb gezien. Ik geloof met heel mijn hart dat het begrijpen van aanbid
